

Year 3000

Busted

One day when I came home at lunch time
I heard a funny noise
Went out to the back yard to find out if it was
one of those rowdy boys,
Stood there was my neighbour called Peter
and a Flux Capacitor

He told me he built a time machine
Like the one in the film I've seen
Yeah yeah... He said...

I've been to the year three thousand,
Not much has changed but they lived under water,
And your Great great great grand daughter,
Is pretty fine (Is pretty fine)

He took me to the future in the flux thing and I saw everything
Boybands and another one and another one... and another one!
Triple breasted women swim around town... totally naked!

We drive around in the time machine
Like the one in the film I've seen
Yeah yeah... He said...

I've been to the year three thousand,
Not much has changed but they lived under water,
And your Great great great grand daughter,
Is pretty fine (Is pretty fine)

I took a trip to the year three thousand
This song had gone multi platinum
Everybody brought our seventh album
It had outsold Michael Jackson
I took a trip to the year three thousand
This song had gone multi platinum
Everybody brought our seventh album, seventh album

He told me he built a time machine
Like the one in the film I've seen
Yeah yeah... He said...

I've been to the year three thousand,
Not much has changed but they lived under water,
And your Great great great grand daughter,
Is pretty fine (Is pretty fine)

He said I've been to the year three thousand,
Not much has changed but they lived under water,
And your Great great great grand daughter,
Is pretty fine (Is pretty fine)

He said I've been to the year three thousand,
Not much has changed but they lived under water,
And your Great great great grand daughter,
Is pretty fine (Is pretty fine)

He said I've been to the year three thousand,

Not much has changed but they lived under water,
And your Great great great grand daughter,
Is pretty fine
