

Jingle of a Dog's Collar

Butthole Surfers

I was lookin' for the main line when I was
Workin' through a friend of mine but I
Couldn't seem to find the time
What do they know about love
What do they know about love
What do they know about love my friend
What do they know about love
The Jingle of a Dog's Collar would be good right here
The Jingle of a Dog's Collar would be fine
The Jingle of a Dog's Collar would be good right here
The Jingle of a Dog's Collar would be fine
What do they know about love
What do they know about love
What do they know about love my friend
What do they know about love
The Jingle of a Dog's Collar would be good right here
The Jingle of a Dog's Collar would be fine
The Jingle of a Dog's Collar would be good right here
The Jingle of a Dog's Collar would be fine
I was looking for the main line when I was
workin' for a friend of mine
What do they know about love
What do they know about love
