Cactus

Hey you  
Bedroom mazurka  
You're just the one I wrote  
We all wonder what you're sellin'  
It keeps you on the road

Ooh ooh  
You're years are getting older  
Ooh ooh  
Oh baby how'd you know  
Ooh ooh  
I wonder what you're takin'  
Ooh ooh  
It keeps you on the road

Bedroom mazurka  
Thank god  
Bedroom mazurka  
She's runnin home

I know you've been a liar  
I see the friends you know  
You really think you're somethin'  
Until it's time to go

Ooh ooh  
She said you were a loser  
Ooh ooh  
So she slept out alone  
Ooh ooh  
Now she's your reputation  
Ooh ooh  
Some things you can't control

Bedroom mazurka  
Thank god  
Bedroom mazurka  
She's runnin' home

Bedroom mazurka  
Thank god  
Bedroom mazurka  
She's runnin' home

She's my child, yeah  
I know you've been a liar  
I see the friends you know  
You really think you're somethin'  
Until it's time to go

Ooh ooh  
You're years are getting older  
Ooh ooh  
Oh baby how'd you know  
Ooh ooh  
I wonder what you're takin'  
Ooh ooh

It keeps you on the road

Bedroom mazurka
