

Our Lil Rock-N-Roll Thing

Cactus

Are you ready?
Oh yeah
Livin' on rock n roll

Well I was breakin' down on the freeway
Cmon' have some breakfast
Well I was rockin' on the freeway
Rockin' on the highway now
He said okay
She was shakin' me all day and night
I'm gonna get on outta here
Don't worry
I don't know

Pull the trigger baby
I never did alright
Shake it

All day and night
All day and night

Well baby I'm in no hurry
I feel the spirit
