## All I Gave

Caliban

Save your breath I don't wanna hear This time it's forever Nothing you could say will ever change that Change that!

Save your breath I don't wanna hear This time it's forever Nothing you could say will ever change that Change that!

I gave you all I have But you betrayed all we had Today is gonna change Today I'm taking it all back!

Save your breath I don't wanna hear This time it's forever Nothing you could say will ever change that Change that!

Save your breath I don't wanna hear This time it's forever Nothing you could say will ever change that Change that!

I gave you all I have But you betrayed all we had Today is gonna change Today I'm taking it all back!

You laid it down to rest But it would never be the same

You laid it down to rest But it would never be the same

It took apart myself to tell you that I don't care If you still do Don't ever let me know!

It took apart myself to tell you that I don't care

Save your breath I don't wanna hear This time it's forever!! Nothing you could say will ever change that (change that!)

Save your breath I don't wanna hear This time it's forever!! Nothing you could say will ever change that (change that could be that could be pojisten online!
