

## Good Man

Caliban

As I Lay here - reflecting my life  
I'm all alone, after all I've said and done.  
Do your remember - all the times you cried in vain?  
Do your remember - all the times I let you drown?  
Do your remember - all the times I could not case the pain?  
Do your remember - all the times i let you down?

I don't see me being a good man, no one is here to say goodbye  
I wish I could go back to my broken past  
I'm a broken man with nothing left  
I know you can't forgive - I wish you could forget!

Do your remember - all the moments that i missed?  
Do your remember - all the times i could be loved and kissed?  
Do your remember - all treasures I threw away?  
Do your remember - when i fled and should have stayed!?

I don't see me being a good man, no one is here to say goodbye  
I wish I could go back to my broken past  
I'm a broken man with nothing left  
I know you can't forgive - I wish you could forget!

So here I am at the end of the road,  
I walk alone and nobody gives a fuck!!! FUCK!!!

I wish I could go back to my broken past  
I'm a broken man with nothing left  
I know you can't forgive - I wish you could forget!

As i lay here - reflecting my life  
I'm all alone, after all I've said and done
