

## My Little Secret

Caliban

I wake up in flames,  
like everyday with my heart in my hands,  
I wake up in flames,  
say my name and I will rise again,

I will rise again - I will kill again, I will...  
say my name and I will kill again

I wake up in flames,  
like everyday with my heart in my hands,  
I wake up in flames,  
say my name and I will rise again,

Here is my little secret,  
stay back or I will kill... kill kill

I promised you my blood,  
I gave you my life,  
but you threw it all away

Go, run flee  
Go, run, flee - faster...

I wake up in flames  
like everyday with my heart in my hands  
I wake up in flames,  
Say my name... again

Here is my little secret,  
stay back or I will kill... kill kill
