Bm
I need your love

Bm G
1. I take a deep breath everytime I pass your door
D A
I know you're there but I can't see you anymore
Bm G
And that's the reason you're in the dark
D A
I've been a stranger ever since we fell apart
Bm G
I feel so out of see
D A
Watch my eyes are filled with fear
Bm G
Tell me do you feel the same
D A
Hold me in your arms again

R: I need your love...

Bm G D A

Bm
I need your love

2. Now I'm dreaming, will ever find you now?
I walk in circles but I'll never figure out
What I mean to you, do I belong
I try to fight this but I know I'm not that strong
And I feel so helplessly
Watch my eyes are filled with fear
Tell me do you feel the same
Hold me in your arms again

R: I need your love...

Bm
*: All the years

All the times
You were never been to blame

D

And now my eyes are perfect
And now my heart is closing

Bm

And all the tears
All the lies
All the waste
I've been trying to make it change

D

And now my eyes are perfect

R: I need your love...

Bm G D A
