R: I need your love
   I need your time
   When everything's wrong
   You make it right
           Bm
   I feel so high
   I come alive
   I need to be free with you tonight
               Bm
   I need your love
Bm G D A
   I need your love
1. I take a deep breath everytime I pass your door
   I know you're there but I can't see you anymore
   And that's the reason you're in the dark
   I've been a stranger ever since we fell apart
   I feel so out of see
   Watch my eyes are filled with fear
   Tell me do you feel the same
   Hold me in your arms again
R: I need your love...
Bm G D A
                  Bm
  I need your love
```

2. Now I'm dreaming, will ever find you now? I walk in circles but I'll never figure out What I mean to you, do I belong I try to fight this but I know I'm not that strong And I feel so helplessly Watch my eyes are filled with fear Tell me do you feel the same Hold me in your arms again

R: I need your love...

Bm

*: All the years

All the times
You were never been to blame

D

And now my eyes are perfect
And now my heart is closing

Bm

And all the tears
All the lies
All the waste
I've been trying to make it change

D

And now my eyes are perfect

R: I need your love...
