

# Neon Rocks

Calvin Harris

Sparking at my neon rocks  
Pulling out inside pink socks  
Sorry 'cause I'm already home  
I'll get rid of this on my own, oh

Dropping stuff I'm in my car  
You won't tell me who you are  
Stop me if I've said it before  
I keep my secret stash in the drawer, oh ah ah...

[repeat]
