Canned Heat

I'm canned heat, canned heat mama
lord it sure is good to meet
I'm canned heat mama
yes it sure is good to meet

well we tried to make it happen
yeah good times sure don't bother me
well canned heat everybody
is just a low down state of mind
well canned heat everybody
yeah it's just a low down state of mind
why's your mind all strung out
rainbows been there all the time
my life was just a scramble
just as low as i could be
hell you people canned heat been good to me
my life was just a scramble
child i was just a low as i could be
I'm so grateful to the canned heat
child it made a good ol' man of me

well I'm canned heat canned heat mama
lord it sure is good to meet
I'm canned heat mama
yes it sure is good to meet
well now my seen's all together
now i can finally say I'm free
