

Pretty Thing

Canned Heat

You, pretty thing
Let me buy you a wedding ring
Let me hear the choir sing
Oh, you pretty thing.

You, pretty thing
Let me walk you down the aisle
I would wear a lover's smile
Oh, you pretty thing.

Let me kiss you again
Let me squeeze and hold you tight
Let me give you all my love
The rest of my life.

You, pretty thing
Let me hold you by my side
And become my blushing bride
Oh, you pretty thing.

You, pretty thing ..
