

Rockin' With the King

Canned Heat

With Little Richard

Well, he's the king of rock and roll
The sacrament will tell you so
Well, he's the king of rock and roll
The sacrament will tell you so
Yeah, the king, king of rock and roll

Well, he started rocking way back when
And he had em rolling in the aisles
He started rolling way back when
Well, he had em rocking in the aisles

He's the king, he's the king
King of rock and roll, ow

Well, they call him the innovator
He ain't no imitator
They call him the innovator
Well, he ain't no imitator
Yeah, the king, king of rock and roll

Boogie woogie woogie all night long
Boogie woogie woogie all night long
He's the king, whoa, the king

Yes, he's the king, he's the king
The king of rock and roll, ow

One more time, woo

We're going home
We're going home
We're going home, yeah
We're going of home

He's the king, he's the king
The king of rock and roll, woo

He's the king, he's the king
The king of rock and roll
