

Shake It and Break It

Canned Heat

Come on baby won't you give me a chance
I just wanna see you dance
Come on
Don't you let me down

I love my baby tell me what I'd do
I don't love anybody but I'm down with you
Come on
Give me one more chance

Well I'm tired, I'm weary and it ain't no joke
I you got a good cigarette give me a smoke
Come on
Don't you let me down

There ain't no heaven no burning hell
Where I go when I die nobody can tell
Come on
Give me one more chance

You can shake it
You can break it
You can hang it on the wall
I don't want it mama if it falls
You can break it
You can hang it on the wall
I don't want it mama if it falls
My jelly
My roll
Sweet mama don't you let it fall
I mean sweet mama don't you let it fall

I ain't gonna marry me to settle down
I just got to move around
Come on
Don't you let me down

I got a home on wheels
I'm gonna move it down the road
Ain't no telling when I'll go
Come on
Give me one more chance

You can shake it
You can break it
You can hang it on the wall
I don't want it mama if it falls
You can break it
You can hang it on the wall
I don't want it mama if it falls
My jelly
My roll
Sweet mama don't you let it fall
I mean sweet mama don't you let it fall
