

Wish You Would

Canned Heat

Well, I got a woman with a-plenty of money
She got the money, and I got the honey
Called my baby on the telephone
Look out, Johnny, you know she wasn't home

I said "Baby, baby, baby, where'd you stay last night?
Well, you didn't come home 'til the sun was shinin' bright"
I said "Hey, pretty baby, give me one more chance
At least let's try to save this romance"

I said "Hey, pretty baby, I wish you would"
She said "Look out, Bobby, I would if I could"

(Yeah, blow)

(Alright)

(El otro)

(Go)

(Play it slow)

(Fito)

Gave her Cadillac, a diamond ring
She give me real nice clothes and everything

I said "Baby, baby, baby, where were you last night?
I said "You did not come home 'til the sun was shinin' bright"

Oh well, I got a woman with a-plenty of money
I said "She got the money, and I got the honey
I said "Baby, baby, baby, give me a chance
At least let's try to save this romance"

I said "Hey, pretty baby, don't you wish you would?"
She said "I would, Little Bobby, I would if I could"
She said "I would, Little Bobby, I would if I could"
"Would, Little Bobby, I would if I could"

(Thank you very much)
