Demolition of bodies, smashed and broken, piles of guts, moist and steaming Tendons severing, brains are boiling, unburied corpses in state of decay Rotten limbs start to ferment, torso's torn in Skin ripped off to expose muscle tissue, butchered for human stew Crawl into the cadaver head first, eat your way through the guts The pungent smell of decaying innards is enough to drive you nuts The spleen of the carcass is oozing from your mouth As you chew on the piss filled kidney's Suck the vomit through intestines, leaving nothing but bones Violently cutting, seriously hacking, sounds of death fill the air Bones sticking out, ripped from sockets, blood spurting everywhere Victim lying dead, neck but no head, smearing remains on your own face Violently cutting, seriously hacking, sounds of death fill the air Blistering flesh, another death, stiffened bones, morbid groans Evil minds, brains oozing slime, feel the pain Body weak brain contorting, fluid flowing from your organs Veins torn out, Mangled Festering flesh, quivering cadaver, ligaments stretched around your own neck Drink the puss, Mangled Severed dick, bloody bowels, the gutted corpse now lies hollow Feeding on feces, Mangled Amputated arms, crushing legs, head is ripped right off your shoulders Thrown in a pile, Mangled Limbs rearranged, head on backwards a humongous heap of twisted flesh Sewn together, Mangled-Mangled His knife plunges in, your cold battered body Blood seeping through, the jagged wounds the Unbearable pain, give into death Your life slips away, perish in blood Menacing madman mutilating Destroying disfiguring, dead you'll be Crushing cracking killing you Annihilation, desecration Born through modern day science Man has made his last mistake A creature so hideously horrible Leaving nothing to waste Evil has a new face, a mangled horrible face

His views are those of death, nothing will stop his lust

Slicing victims left to decay, listening to their mortal cries

Unhuman, immortal, bestial, now he owns your soul

Crawl into the cadaver head first, eat your way through the guts $% \left(1\right) =\left(1\right) +\left(1\right) +\left$

The pungent smell of decaying innards is enough to drive you nuts

The spleen of the carcass is oozing from your mouth

As you chew on the piss filled kidney's Suck the vomit through intestines, leaving nothing but bones

Human converted to beast, the perfect killing machine $% \left(1\right) =\left(1\right) \left(1\right)$

Psychotic structure of brain tissue, murder his only memory

Dependant on death, crushing your head, I'm addicted to blood

Chew the decay

The weakened man must die, tearing out his insides

Smashing all the bones, hear his tormenting $\ensuremath{\mathsf{groans}}$
