

# This Is Not a Test

Capital Kings

Fell out of the sky  
Hit the ground running  
The future is tonight  
They'll never see us coming  
Takin' by this urgency, won't let this moment pass  
The Kingdom is alive  
We're stepping on the gas

We're checking in, so check it out  
We're dropping in, there ain't no stopping us now  
We've only got one shot  
Gonna take it now  
Goin' all in, gonna make it count  
Won't look back, gotta set my eyes  
Cause there ain't no practice runs in life

This is not a, this is not a test  
This is the real thing  
This is not a, this is not a test  
This is the real thing  
We're gonna go til we got nothing left  
This is the real thing  
This is not a, this is not a test

We're checking in, so check it out  
We're dropping in, there ain't no stopping us now  
We're breathing in, we're breathing out  
We're dropping in, there ain't no stopping, stopping  
We've only got one shot  
Gonna take it now  
Going all in, gonna make it count  
Won't look back, gotta set my eyes  
Cause there ain't no practice runs in life

This is life, this is life  
This is life, this is life  
This is life, this is life  
This is life, this is life  
Life, life, life, life, life  
So don't get left behind

This is not a, this is not a test  
This is the real thing  
This is not a, this is not a test  
This is the real thing  
We're gonna go til we got nothing left  
This is the real thing  
This is not a, this is not a test

We gonna move  
Live every second, make it count for you  
Make it count, make it count  
We gonna move  
Live every second, make it count for you  
Make it count, make it count  
This is not a test  
We gonna move

Live every second, make it count for you
