It's a Saturday night for you and i You can feel it in the air Saturday night the time is right When together have no fair Ola ola eee, ola ola ee

The night is ..for sweet
And it's time to ..this place ..
I got the gasoline
So fill you up with a burning desire
Don't hold back just feel the passion
The music it's in the air
Hold on tight and feel the power
Kicking the door and let the party begin

Saturday night for you and i You can feel it in the air Saturday night the time is right When together have no fair Nah nah nah nah nah Saturday night tonight tonight Nah nah nah nah nah Saturday night the time is right

SATURDAY night Ola ola ee SATURDAY night Ola ola ee

Come on and get on your feet
And hold my hand that's we get on the dance floor
I've got the gasoline
To fill you up with a burning desire
Hold on tight the beat come told you
There's magic in the air
Don't hold back just let on move you
Kicking the door and let the party begin

It's a Saturday night for you and i You can feel it in the air Saturday night the time is right When together have no fair Ola ola eee, ola ola ee
