

Tonight I'm Getting Over You

Carly Rae Jepsen

F
I wanna smash your fears
Am
And get drunken off your tears
B
Don't you share your smile
(C) **F**
with anyone else but me

F Am B (C) F

I wanna touch your heart
I wanna crash it in my hands
Make a plea, and cry
As you give up all the lies

F **Am**
We're not lovers, but more than friends
B **C** **F**
Put our flame to every single word you ever said
F **Am**
No more crying, to get me through
B **C** **F**
I keep dancing til the morning with somebody new

F Am B C/F

Tonight I'm getting over you
Tonight I'm getting over you
Tonight I'm getting over you
Tonight I'm getting over you
Over you, o-over you
