

## Bark At The Moon

Carnival in Coal

Screams break the silence  
Waking from the dead of night  
Vengeance is boiling  
He's returned to kill the light  
Then when he's found what he's looking for  
Listen in awe and you'll hear him

Bark at the moon

Years spent in torment  
Buried in a nameless grave  
Now he has risen  
Miracles would have to save  
Those that this beast is looking for  
Listen in awe and you'll hear him

Bark at the moon

They cursed and buried him along with shame  
And thought his timeless soul had gone  
In empty burning hell - unholy one  
Now he's returned to prove them wrong  
Oh no, yeah baby

Howling in shadows  
Living in a lunar spell  
He finds his heaven  
Spewing from the mouth of Hell  
Then when he's found what he's looking for  
Listen in awe and you'll hear him

Bark at the moon
