Christian Incoherent Drivel

Carpathian Forest

As the decades and centuries rolled by Most of the christians no longer thought That the second coming of christ Would take place in their own lifetime

They firmly believed
The awaited return of jesus christ
To earth in order to judge
The living and the dead

But they thought its possible
That these holy events
Might not come to pass
For hundreds or thousands of years

On the basis of a complex numerical Calculations involving the symbolic Interpretation of the so called Book of truth

Still the preachers of our modern age Which prophecies claimed true Admit and coness your pathetic sin Then you kneel and let the brainwash begin

The world will be swept by war and plagues All evil will control humanity
Many will follow the beast 666
And take up arms against christ
The battle of armageddon is near

Apocalypse pestilence war famine and death The demons of finality
From the sky they came
As written in biblical times
The vision of the destruction fo earth
The future is dark and violent
Carpathian Forest wants you dead, DEAD!
