

Man Smart, Woman Smarter

Carpenters

Let us put man and woman together
And see wich one is smarter
Some say man, but I say no
The women got the man like a puppet show

It ain't me, it's the people that say
The men are leadin' the women astray
But I say, that the women today
Are smarter than men in every way

Well, that's right, the women are smarter
That's right, the women are smarter

Little boy sat down and cried
An old man passin' asked him why, he said
I can't do what the big boys do
Old man sat down and he cried too

Ain't me, it's the people that say
The men are leadin' the women astray
But I say, that the women today
Are smarter than men in every way

That's right, the women are smarter
That's right, the women are smarter

That's right, the women are smarter
That's right, the women are smarter

Well that's right, the women are smarter
Smarter than man in every way
