

Only Yesterday

Carpenters

After long enough of being alone
Everyone must face their share of loneliness
In my own time nobody knew
The pain I was goin' through
Waitin' was all my heart could do

Hope was all I had until you came
Maybe you can't see how much you mean to me
You were the dawn breaking the night
The promise of morning light
Filling the world surroundin' me

When I hold you, baby, baby
Feels like maybe things will be all right
Baby, baby, your love's made me free as a song
Singin' forever

Only yesterday I was sad and I was lonely
You showed me the way to leave the past
And all its tears behind me
Tomorrow may be even brighter than today
Since I threw my sadness away
Only yesterday

I have found my home here in your arms
Nowhere else on earth I'd really rather be
Life waits for us, share it with me
The best is about to be
And so much is left for us to see

When I hold you, baby, baby
Feels like maybe things will be all right
Baby, baby, your love's made me free as a song
Singin' forever

Only yesterday I was sad and I was lonely
You showed me the way to leave the past
And all its tears behind me
Tomorrow may be even brighter than today
Since I threw my sadness away
Only yesterday
