A D E A
Such a feelin's comin' over me
C#mi Hmi A
There is wonder in most every thing I see
D E C#mi F#
Not a cloud in the sky, got the sun in my eyes
Hmi Dm6 E
And I won't be surprised if it's a dream
A D E A
Everything I want the world to be
C#mi Hmi A
Is now comin' true especially for me
D E C#mi F#
And the reason is clear, it's because you are here
Hmi Dm6 E
You're the nearest thing to Heaven that I've seen
A D
I'm on the top of the world lookin' down on creation
A E A A7
And the only explanation I can find
D E A D
Is the love that I've found ever since you've been around
A E A
Your love's put me at the top of the world

Somethin' in the wind has learned my name
And it's tellin' me that things are not the same
In the leaves on the trees and the touch of the breeze
There's a pleasin' sense of happiness for me

There is only one wish on my mind
When this day is through I hope that I will find
That tomorrow will be just the same for you and me
All I need will be mine if you are here

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world

I'm on the top of the world lookin' down on creation
And the only explanation I can find
Is the love that I've found ever since you've been around
Your love's put me at the top of the world
