

Where Do I Go from Here?

Carpenters

Autumn days lying on a bed of leaves
Watching clouds up through the trees
They said our love was more than time

It's colder now, the trees are bare and nights are long
I can't get warm since you've been gone
I can't stop singing sad songs

Where do I go from here
Tell me, where do I go from here
You said you'd take me through the years
So where do I go from here

Lovers plans, like fallen leaves on windy days
Floated past then they fly away
I thought I knew you oh so well

And I need you now, I need to feel you in the night
I need your smile so warm and bright
I wish my mind could let you go

Where do I go from here
Tell me, where do I go from here
You said you'd take me through the years
So where do I go from here

Where do I go from here
Tell me, where do I go from here
You said you'd take me through the years
So where do I go from here
You said you'd take me through the years
So where do I go from here
