Where Do I Go from Here?

Carpenters

Autumn days lying on a bed of leaves Watching clouds up through the trees They said our love was more than time

It's colder now, the trees are bare and nights are long I can't get warm since you've been gone I can't stop singing sad songs

Where do I go from here Tell me, where do I go from here You said you'd take me through the years So where do I go from here

Lovers plans, like fallen leaves on windy days Floated past then they fly away I thought I knew you oh so well

And I need you now, I need to feel you in the night I need your smile so warm and bright I wish my mind could let you go

Where do I go from here Tell me, where do I go from here You said you'd take me through the years So where do I go from here

Where do I go from here Tell me, where do I go from here You said you'd take me through the years So where do I go from here You said you'd take me through the years So where do I go from here
