

# Something in the Water

Carrie Underwood

He said, "I've been where you've been before,  
Down every hallway's a slamming door,  
No way out, no one to come and save me.  
Wasting a life that the Good Lord gave you.  
There's somebody saying what I'm saying to you,  
Open my eyes and told me truth."  
He said: "Just a little faith and it'll all get  
better."  
So I followed that preacher man down to the river  
and now I'm changed.  
And now I'm stronger

There must've been something in the water,  
Oh there must've been something in the water.

Well I heard what he said and I went on my way.  
Didn't think about it for a couple of days.  
Then it hit me like a lightning late one night.  
I was all out of hoping, all out of fight.  
Couldn't fight back my tears so I fell on my knees,  
Saying, "God if you're there come and rescue me."  
Felt love pourin' down from above  
Got washed in the water, washed in the blood, and  
now I'm changed

And now I'm stronger

There must be something in the water  
Oh there must be something in the water

And now I'm singing along to "Amazing Grace".  
Can't nobody wipe this smile off my face  
Got joy in my heart, angels on my side  
Thank God Almighty, I saw the light  
Gunna look ahead.  
No turning back live everyday, give it all that I  
have  
Trust in someone bigger than me  
Ever since that day I believe I am changed

And now I'm stronger

There must be been something in the water  
Oh there must be something in the water  
Oh there must be something in the water  
Oh there must be something in the water  
Oh yeah

I am stronger  
Stronger

I once was lost, but now I
