I still hear your voice when you sleep next to me I still feel your touch in my dreams
Forgive me my weakness, but I don't know why
Without you it's hard to survive

'Cause everytime we touch, I get this feeling And everytime we kiss, I swear I could fly Can't you feel my heart beat fast? I want this to last I need you by my side

?Cause everytime we touch, I feel the static And everytime we kiss, I reach for the sky Can't you hear my heart beat so? I can't let you go I want you in my life

Your arms are my castle, your heart is my sky
They wipe away tears that I cry
The good and the bad times, we've been through them all
You make me rise when I fall

'Cause everytime we touch, I get this feeling
And everytime we kiss I swear I could fly
Can't you feel my heart beat fast?
I want this to last
I need you by my side

'Cause everytime we touch, I feel the static And everytime we kiss, I reach for the sky Can't you hear my heart beat so? I can't let you go I want you in my life

'Cause everytime we touch, I get this feeling And everytime we kiss, I swear I could fly Can't you feel my heart beat fast? I want this to last I need you by my side
