

Foreplay

Case

Is the feeling to good
Did I just hear you scream
We been waiting so long
It's kind of feeling like a dream
You see I'm turning off my phone
So you know it's almost time
But before I go in
I'm thinking tonight
(Ohhhh)

Turn the lights down low
Lets go slow
Uhhmm
Lay your body down
And lets goo
(lets go babyyyy)
Baby before we get it started
A little foreplay
Right before we get to the lovin
A little foreplay
Baby we're just touching and rubbing
A little foreplay
Foreplay, foreplay, foreplay baby
Baby before we get it started
A little foreplay
Right before we get to the lovin
A little foreplay
Baby we're just touching and rubbing
A little foreplay
Foreplay, foreplay, foreplay baby

Girl don't say not one word
Cause I'm talking with my tongue
You can speak your mind
Later on when I'm done
Cause I'm on that all night
And it's on just for you
So enjoy the freaky show
Cause that's what I do
(It's what I do)

Turn the lights down low
Lets go slow
Uhhmm
Lay your body down
And lets goo
(lets go babyyyy)
Baby before we get it started
A little foreplay
Right before we get to the lovin
A little foreplay
Baby we're just touching and rubbing
A little foreplay
Foreplay, foreplay, foreplay baby
Baby before we get it started
A little foreplay
Right before we get to the lovin

A little foreplay
Baby we're just touching and rubbing
A little foreplay
Foreplay, foreplay, foreplay baby
