

# Magic Place

Casey Abrams

There is a magic place that I know  
Where everyone is certain to go  
And in this magic place that I'll show  
You tonight

There is a magic place that I know  
Where everyone is certain to go  
And in this magic place that I'll show  
You tonight

Let's all go there  
I wanna go  
Let's all go there

There is a magic place that I know  
Where everyone is certain to go
