

# Give You A Ring

Casey Donahew Band

A moonlit night  
There's no need for headlights  
This beat up truck'll damn near drive itself  
You tried hard not to show it  
and we both know where it's goin'  
If I can't find the words for how I feel

I'll give you a ring  
So your eyes can't tell me no  
So your reaction won't bring out my insecurity  
I'm gonna give you a ring  
and tell you how I feel  
It might make more sense on a telephone line  
than right here in front of you  
I'll give you a ring

It's been 5 years since you left  
and we both got our regrets  
but it made me smile to hear you're back in town  
Let's look past our mistakes  
There's a chance we've got to take  
Now let those walls  
around our hearts come crumblin' to the ground

I'll give you a ring  
So your eyes can't tell me no  
So your reaction won't bring out my insecurity  
I'm gonna give you a ring  
and tell you how I feel  
It might make more sense on a telephone line  
than right here in front of you  
I'll give you a ring

You're still with me  
All those memories  
are from our first kiss to me down here on my knees

So I can give you this ring  
I pray your eyes don't tell me no  
Hope your reaction won't bring out my insecurity  
I'm gonna give you a ring  
To show you how I feel  
Always and forever's what I mean  
I'll give you a ring
