

## Demeanor/Messy

Casey Veggies

Aw man  
Fresh Veggies  
Aw yeah  
Rockie Fresh, Millionaire Veggies  
Aw man, damn, damn

Pull up in the Audi and I got the Bimmer  
Baby girl bad and I like her demeanor  
Baby girl bad and she holding the nina  
Kicked my ex to the curb, shawty was meaner

Damn, dog, have you seen her?  
She was driving in the Kia, upgraded to a Bimmer  
Make it flood, she need FEMA  
Niggas hating, acting like some bia-bia bias  
I'ma stunt when I see her  
Roll a blunt when I see her  
Twice a month when I see her, damn, dog, she a keeper  
Got it on lock so they gotta free her  
Niggas hating on me, swear to God all these boys need Jesus  
Came through, rocked the boat, had to say RIP to Aaliyah  
One nigga won't work, so the whole squad had to go team up  
Came through, they was sleeping on me now I'm living everything they dreamed  
of

Girl, how you doing? It's real nice to meet you  
The way that you looking, it's hard not to see you  
Pulled up in the Audi and I got the Bimmer (Skrtrt)  
Lil' mama bad and I like her demeanor  
I love 'em, I love 'em, but no, I don't need 'em  
Getting this money, don't got time to see 'em  
I got her number, yeah that part was easy  
Next thing you know, man, she slidin' her Visa  
Damn, slidin' her Visa  
Girl we can fuck, book that trip to Ibiza  
Yeah, and she riding with me  
Every time I go she like, "Baby, don't leave"  
I might pour a four in a liter  
Baby, I'm so fly I shop out arenas (I'm fresh)  
And the top is receding  
I copped the coupe but the Bimmer was cleaner

I got her number, yeah that part was easy  
I dropped pin location, I told her to meet me  
I slid out the Wraith, baby died when she seen me  
I made a scene trying to keep ballin' a secret  
My chain too big to tuck it so I just leave it  
If you had one then you probably couldn't keep it  
Them niggas around you would probably eat it  
Thought you was cool they showed you what heat is, wait  
Bitches was looking, they peeped it  
They don't believe you when you claim that G shit  
Hopped in my '63 and I hit the switch  
You ain't gotta guess who she leaving with
