## I Like It Loud

Get this night off right And turn the bass up Blow my ear drums up Just like a firetruck Get this night off right And turn the bass up, Yeah, I like it loud I like it loud You know I like it loud, can't hear a fucking sound

My ears are ringing now Cause that's how we get down Down, down, down Now move your body so the rhythm can set you free Another round and we can drown out our hearts beating Just like a drug I let the music set me free I like it loud, I like it loud

Get this night off right And turn the bass up Blow my ear drums up Just like a firetruck Get this night off right And turn the bass up, Yeah, I like it loud I like it loud

Shaking through your legs, the way the sub drops Feel it in your chest, the way your heart stops Get this night off right And turn the bass up, Yeah, I like it loud I like it loud

You know I like it loud Than your old fucking sound You know I like it loud Cause that's how we get down bass up, bass up, bass up Turn the bass up, bass up, bass up up-up-up-up-up-up-up-up

Now move your body so the rhythm can set you free Another round and we can drown out our hearts beating Just like a drug I let the music set me free I like it loud, I like it loud Now move your body so the rhythm can set you free Another round and we can drown out our hearts beating Just like a drug I let the music set me free I like it loud, I like it loud I like it loud

You know I like it loud Than your old fucking sound You know I like it loud I like it loud
