

# Pleasant Shadow Song

Cass McCombs

I heard of a place That Time can't erase Of beauty and grace

Beulah!

You scoff at my card Guess I'm no Abelard "I don't know ..." ju  
st how far is Beulah

Would only to song weren't bucolic and wrong and shadow a long  
twilight Always to play and sleep through the day for music and  
night

Enough with these books Carrion and hooks Ill will and looks Bu  
t to Beulah

To pull the forefront Health for starvation I've grown impatien  
t For Beulah
