

I Am Invincible

Cassadee Pope

For my girls, the fighters, the warriors,

Broken glass inside won't cut through me
Pain behind my eyes I turn into strength
Oh I will fight, I will survive

I'm invincible
I'm unbreakable
I'm a diamond cut to last
I'm unstoppable
I'm a hero
Like a phoenix from the ash
Oh-ah, oh-ah, oh-ah-ooh
Invincible

Cracks run through these walls, But they still stand strong
Oh heart covered in scars, But my fear is gone
Oh I will fight, I will survive

I'm invincible
I'm unbreakable
I'm a diamond cut to last
I'm unstoppable
I'm a hero
Like a phoenix from the ash
Oh-ah, oh-ah, oh-ah-ooh

Nothing gonna make me break or shatter
No one's gonna tell me that I don't matter, no
I won't let you

Time is running out, keeps getting faster
Gotta find a way, bring out the answers
Til I can say

I'm invincible
I'm unbreakable
I'm a diamond cut to last
I'm unstoppable
I'm a hero
Like a phoenix from the ash
I'm invincible
I'm unbreakable
I'm a diamond that will last

Oh-ah, oh-ah, oh-ah-ooh
Oh-ah, oh-ah, oh-ah-ooh
Invincible
