

# Bow Down

## Cast

Where is the love that's all around?  
You say it's never ending  
Tell me it's already been found  
Tell me it's never been in doubt

Bow down, bow down  
Bow down  
Bow down, bow down  
Bow down  
Ah ha ha  
Ah ha ha

Where is the joy that I once felt  
Strange how my feelings change  
Can't say I live my life without  
Can't say we never tried at all

Bow down, bow down  
Bow down  
Bow down, bow down  
Bow down  
Ah ha ha  
Ah ha ha

So many times  
Love passes by  
Across the tides  
Like ships that sail upon the dark seas of the night

Bow down, bow down  
Bow down, bow down  
Where is the love, where is the love?  
Where is the love?  
Where is the love, where is the love?  
Where is the love?  
Bow down, bow down  
Bow down, bow down  
Bow down, bow down  
Bow down, bow down
