

In The Hands Of The Potter

Casting Crowns

I still remember when I heard You call me by name
I'd follow You anywhere, knew I could trust You in anything
But now sorrow beats down on me, waiting for You to come through
I'm all alone with my questions, I'm dry and cracked open
And I thirst for You

And as I fall apart
Come flood this desert heart
Fall like the rain, Living Water
And I know Your way is best
Lord, help me find my rest
And I'll be the clay
In the Hands of the Potter

My world is spinning, my life seems so out of control
Nailed scarred hands tell the story of love that will never let go of
me
Through the sunshine or rain, I know where my hope is found
What You started in me, I know You will complete from the inside out

And as I fall apart
Come flood this desert heart

Fall like the rain, Living Water
And I know Your way is best
Lord, help me find my rest
And I'll be the clay
In the Hands of the Potter

My world is breaking me, Your love is shaping me
And now the enemy is afraid of what You're making me
When my world is breaking me, Your love is shaping me
And now the enemy is afraid of what You're making me
My world is breaking me, Your love is shaping me
And now the enemy is afraid of what You're making me

And as I fall apart
Come flood this desert heart
Fall like the rain, Living Water
And I know Your way is best
Lord, help me find my rest
And I'll be the clay
In the Hands of the Potter

And I'll be the clay
In the Hands of the Potter
