## Love Them Like Jesus

The love of her life is drifting away They're losing the fight for another day The life that she's known is falling apart A fatherless home, a child's broken heart

You're holding her hand, you're straining for words You trying to make - sense of it all She's desperate for hope, darkness clouding her view She's looking to you

Just love her like Jesus, carry her to Him His yoke is easy, His burden is light You don't need the answers to all of life's questions Just know that He loves her and stay by her side Love her like Jesus Love her like Jesus

The gifts lie in wait, in a room painted blue Little blessing from Heaven would be there soon Hope fades in the night, blue skies turn to gray As the little one slips away

You're holding her hand, you're straining for words You're trying to make sense of it all They're desperate for hope, darkness clouding their view They're looking to you

Just love them like Jesus, carry them to Him
His yoke is easy, His burden is light
You don't need the answers to all of life's questions Just know that He loves them and stay by their side Love them like Jesus

Lord of all creation holds our lives in His hands The God of all the nations holds our lives in His hands The Rock of our salvation holds our lives in His hands He cares for them just as He cares for you

So love them like Jesus, love them like Jesus You don't need the answers to all of life's questions Just know that He loves them and stay by their side Love them like Jesus Love them like Jesus
