

Mercy

Casting Crowns

Here I am a sinner
Broken and in need of You
Take my life and wash my fears away
For You are the Great I AM
Rest assured, I feel Your hand
Holding me until the darkness clears
A Father to the fatherless
Redeemer of my soul
My Life is Yours forever
I want the world to know

Your mercy saved me
Mercy made me whole
Your mercy found me
Called me as Your own

Here I stand a child of Yours
Broken and in need of You
Break these chains and wash my guilt away
Healer of my brokenness
My weary soul will find its rest
You are my strength, the lifter of my head
You're greater than my yesterdays
You hold me close today
You're the Lord of my tomorrows
My heart will always say
You're greater than my yesterdays
You hold me close today
You're the Lord of my tomorrows
My heart will always say

Your mercy saved me
Mercy made me whole
Your mercy found me
Called me as Your own

Your mercy saved me
Mercy made me whole
Your mercy found me
Called me as Your own

You called me as Your own
You called me as Your own...
Thank You for Your mercy
Thank You for Your mercy

Your mercy saved me
Mercy made me whole
Your mercy found me
Called me as Your own

Your mercy saved me
Mercy made me whole
Your mercy found me
Called me as Your own

You called me as Your own

Your own
