Until the Whole World Hears

Casting Crowns

Lord, I want to feel your heart And see the world through your eyes I want to be your hands and feet I want to live a life that leads

Ready yourselves, ready yourselves Let us shine the light of Jesus in the darkest night Ready yourselves, ready yourselves May the powers of darkness tremble as our praises rise

Until the whole world hears, Lord, we are calling out Lifting up your name for all to hear the sound Like voices in the wilderness, we're crying out And as the day draws near We'll sing until the whole world hears

Lord, let your sleeping giant rise Catch the demons by surprise Holy nation sanctified Let this be our battle cry

Ready yourselves, ready yourselves Let us shine the light of Jesus in the darkest night Ready yourselves, ready yourselves May the powers of darkness tremble as our praises rise

Until the whole world hears, Lord, we are calling out Lifting up your name for all to hear the sound Like voices in the wilderness, we're crying out And as the day draws near We'll sing until the whole world hears

We'll sing until the whole world hears We'll sing until the whole world hears

I want to be your hands and feet I want live a life that leads To see you set the captive free Until the whole world hears

And I pray that they will see More of you and less of me Lord, I want my life to be The song You sing

Until the whole world hears, Lord, we are calling out Lifting your name up for all to hear the sound Like voices in the wilderness, we're crying out And as the day draws near We'll sing until the whole world hears

We'll sing until the whole world hears We'll sing until the whole world hears We'll sing until the whole world hears We'll sing until the whole world hears We'll sing until the whole world hears Tištěno z pisnicky-akordy.cz
