

## Cross Bones Style

Cat Power

Oh, how time flies  
With crystal clear eyes  
And cold as coal  
When you're ending with diamond eyes

Oh, come child  
In a crossbones style  
Oh, come child  
Come and rescue me  
'Cause you have seen some  
Unbelievable things

Hater, I have your diamonds and still  
'Cause you have seen some  
Unbelievable things  
Hater, I have your diamonds

Oh, come child  
In a crossbones style  
Oh, come child  
Come rescue me  
'Cause you have seen some  
Unbelievable things

Hater, I have your diamonds and still  
So still

Oh, how time flies  
With crystal clear eyes  
And cold as coal  
When you're ending with diamond eyes

Oh, come child  
In a crossbones style  
Oh, come child  
Come and rescue me  
'Cause you have seen some  
Unbelievable things
