

Pa Pa Power

Cat Power

Burn the streets, burn the cars
Power
Broken glass, but what about a broken heart?
Please make me better
Please make me powerful

Burn the streets, burn the cars
Power
Broken glass, but what about our broken hearts?
What about our power?
Pa-power
What about our power?
Pa-power

We won't destroy
No, we cannot destroy
Our power
We won't destroy
No, we cannot destroy
Our
Oh, our power

You asked how
How do we gonna do
As it's breaking down

How do we really do it
As it's breaking down, now

Burn the streets, burn the cars
Power
Broken glass, yes
Broken dreams, yes
But what about our broken hearts?
What about power?
Pa-power
What about all of our power?
Pa-power

How do we gonna do
As it's breaking down
How do we really do it
As it's breaking down
What about power?
Power, power
What about all the power?
Power
Power
Power

That is how
I hope you figure that one out
