Emi **D C**
She hangs her head and cries in my shirt
D Emi D G
She must be hurt very badly.
G D Emi A
Tell me what's making you sadly.
Emi A D C
Open your door, don't hide in the dark.
D Emi D G
You're lost in the dark, you can trust me
D Emi A
Cause you know that's how it must be

Her eyes like windows trickelling rain,

Upon her pain getting deeper.

Though my love wants to relieve her

Lost in her hall she can't hear me
G D Emi A
Though I know she likes to be near me

Emi **D C**
She sits in a corner by the door

G D Emi A
If she really wants me to help her
Emi A D C
I'll do what I can to show her the way

And maybe some day I will free her

Though I know no one can see her
