

## Reap the Outcasts

Cataract

Flipside of our history  
misconception of modern progress underscoring all perceptions o  
f this rotting world  
no inequity in this time, just cold disparity and menace to equ  
ality  
with nebulous intensions reaped the outcasts, tear'em apart!  
claim the scepter, lead through the time!  
There's no separation within progress and misery.  
while the world is rising up, the cradle decays  
there's no separation within global striving and poverty  
while the world is rising, the cradle decays  
reaped the outcasts, tear'em apart!  
claim the scepter, lead through the time!
