Baby Come Back

Caught In The Act

Baby come back Baby come back

I've been searching high Far and wide, oh girl Feels like I'm sinking under The signs are bad Worst I've had, it's true Now I can't help but wonder Are you alone at night? Take back the nights I've cried

Baby come back Say you'll come back 'Cause every day is grey without you Now I'm in black 'Til you come back to me

Baby come back Why don't you come back? Baby come back

Time is dragging by I live a lie each day And say that I'm not hurting I play my game Hide all the pain inside And if only you'd come back to me For one more night Take back the nights I've cried

Baby come back Say you'll come back 'Cause every day is grey without you Now I'm in black 'Til you come back to me

Baby come back Say you'll come back 'Cause every day is grey without you Now I'm in black 'Til you come back to me

Girl come back and stay Don't leave me this way Set me free I'm on a sea of heartache Rescue me Don't let it be a memory, yeah Oh...oh...oh... Yeah, yeah, yeah, yeah

Baby come back Say you'll come back 'Cause every day is grey without you Now I'm in black 'Til you come back to me

Baby come back Say you'll come back 'Cause every day is grey without you Now I'm in black 'Til you come back to me

Baby come back Why don't you come back? Baby come back Why don't you come back?
