

## You Know

## Caught In The Act

I love you baby  
just look me in the eyes and see  
I've got to let you know  
I think you're my destiny  
in times of trouble  
when the world is shakin under your feet  
you can always count on me baby  
I'll turn your bitter to sweet

I saw the tears in your eyes  
tell me the reason you cried  
I need you here so come running to me

Cause you know  
that I'll always be there for you  
when you want me to share  
your hopes and dreams  
and the way that you feel  
and you know I will always be there

Move closer to me  
I'll put my arms around you girl  
I'm gonna care for you  
protect you in this mixed up world

I'm up in heaven  
girl when I make love to you  
we will be together forever  
I'll turn your grey skies blue

I'm gonna give you so much  
my love's in every touch  
I'll be whatever you want me to be

Cause you know  
that I'll always be there for you  
when you want me to share  
your hopes and dreams  
and the way that you feel  
and you know I will always be there

And if you want me to  
I'm gonna carry you  
just take my hand  
and I'll show you the way

Cause you know  
that I'll always be there for you  
when you want me to share  
your hopes and dreams  
and the way that you feel  
and you know I will always be there
