

A Day to Sing About

Cazzette

I'll stand in the middle
Cause my fears hide
In the corners of my mind
And as these winds blow
Around my head
I'll set down my roots right here and watch
Life pass me by

Ooh
Ooh
Ooh
This is a day to sing about
This is a day to sing about

I'll solve this riddle
That's been holding me back
And keeping me behind
Cause nothing comes
From burning out
Just a flash of light
And they're memories now

Stay here or leave
(Take time to breath)

Ooh
Ooh
Ooh
This is a day to sing about
This is a day to sing about

This is a day to sing about

And as these winds blow around my head
I'll set down my roots right here and watch
Life pass me by

Ooh
Ooh
Ooh
This is a day to sing about
This is a day to sing about

I'll stand in the middle
Cause my fears hide
In the corners of my mind
