

## State of Bliss

Cazzette

I'm diving in, yeah  
Diving in the deep after you  
I'm giving in to love  
Like I've got nothing to lose

I know that it's crazy  
But I can't resist  
Baby, no one ever made me feel like this  
Wanna stay forever in this state of bliss with you, with you

I don't want nobody, body, body else  
The love we got is unlike anything I've felt  
And I don't want nobody, body, body else  
Nothing will do  
If I can't have you  
Can't have you  
If I can't have you  
Can't have you

I'm falling hard, yeah  
Falling hard like never before  
You've got me now [?]  
It's all I wanted and more

I know that it's crazy  
But I can't resist  
Baby, no one ever made me feel like this  
Wanna stay forever in this state of bliss with you, with you

I don't want nobody, body, body else  
The love we got is unlike anything I've felt  
And I don't want nobody, body, body else  
Nothing will do  
If I can't have you  
Can't have you  
If I can't have you  
Can't have you
