

# Run Run Run

Celeste Buckingham

All is fair in love and war  
but all I do is love you more  
our love is crazy, unhealthy  
but I can't keep from you baby

So you said, why even bother  
Set this love set me on fire  
how I wish  
you'd be the victim  
so you'd see  
just how i'm feelin'

You better know know know  
that I have conditions  
I make the rules  
and make the decisions  
and I I I want nothing less than  
what I deserve

So you better run run run  
before I'll decide that  
you are mine, two stars will collide  
You better run run run  
nowhere to run but to me  
Ohh

Somehow I don't get the picture  
don't know why you are the winner  
our love is not what we wanted  
but baby you finish  
just what you started

So you said, why even bother  
Set this love set me on fire  
how I wish  
you'd know me better  
so you'd see  
I'm a dream teller

You better know know know  
that I have conditions  
I make the rules  
and make the decisions  
and I I I want nothing less than  
what I deserve

So you better run run run  
before I'll decide that  
you are mine two stars will collide  
You better run run run  
nowhere to run but to me  
Ohh

You are the cause of all this pain  
and you are the reason I'm upset  
you are the cause of  
all this pain but you

are the cause of all this love  
you are the thing I can't forget

To know know know  
that I have conditions  
I make the rules  
and make the decisions  
and I I I want nothing less than  
what I deserve

So you better run run run  
before I'll decide that  
you are mine, two stars will collide  
You better run run run  
nowhere to run but to me  
Ohh

You better know know know  
that I have conditions  
I make the rules  
and make the decisions  
and I I I want nothing less than  
what I deserve

So you better run run run  
before I'll decide that  
you are mine, two stars will collide  
You better run run run  
nowhere to run but to me  
Ohh

You better know know know  
that I have conditions  
I make the rules  
and make the decisions  
and I I I want nothing less than  
what I deserve

So you better run run run  
before I'll decide that  
you are mine, two stars will collide  
You better run run run  
nowhere to run but to me  
Ohh
