

Let's Talk About Love

Celine Dion

G **Emi**
Everywhere I go all the places that I've been,
C **Ami** **D**
every smile's a new horizon on a land I've never seen.
D7 **G** **C**
There are people around the world, different faces, different names,
Ami **C** **D**
but there's one true emotion that reminds me we're the same.
G **Emi** **C** **D**
Let's talk about love.

G **Emi**
From the laughter of a child to the tears of a grown man,
C **Ami** **D**
there's a thread that runs right through us all and helps us understand.
D7 **G** **C**
As subtle as a breeze, that fans a flicker to a flame,
Ami **C** **D**
from the very first sweet melody to the very last refrain.
G **Emi**
Let's talk about love, let's talk about us,
Ami **D** **G** **D**
let's talk about life, let's talk about trust, let's talk about love.

C **Ami**
It's the king of all who live and the queen of all good hearts,
F **Dmi** **F**
it's the ace you may keep up your sleeve, till the name is all but lost.
G **G7** **C** **F**
As deep as any sea with the rage of any storm,
Dmi **F** **G**
but as gentle as a falling leave on any autumn morn.
C **Ami**
Let's talk about love, let's talk about us,
Dmi **G**
let's talk about life, let's talk about trust.
C
Let's talk about love, it's all we're needin',
Ami
let's talk about us, it's the air we're breathin',
Dmi
let's talk about life, I wanna know you,
G **D**
let's talk about trust, and I wanna show you

D **Bmi**

A7 **D** **G**

Emi **A**
let's talk about life, let's talk about trust.

D

let's talk about us, it's the air we're breathin',
